

PCH Servicios Financieros SAPI de CV SOFOM ENR

Funding small and medium-sized companies in Mexico

PCH Servicios Financieros SAPI de CV SOFOM ENR is a company dedicated to providing credit, leasing and factoring to small and medium-sized companies (SMEs) across Mexico.

Small and medium-sized businesses (SMEs) represent a significant and growing share of Mexico's overall market but remain significantly underserved with respect to access to financial services relative to their scale.

The majority of Mexico's SMEs are very small, making it complicated and costly for larger commercial banks to serve them. Only around a third of SMEs in Mexico have access to financial services from a commercial bank.

Oikocredit first partnered with PCH Servicios Financieros in 2019 in view of the company's support of small-scale enterprises which aligns with its own goals.
